Holy Girl Paradigm

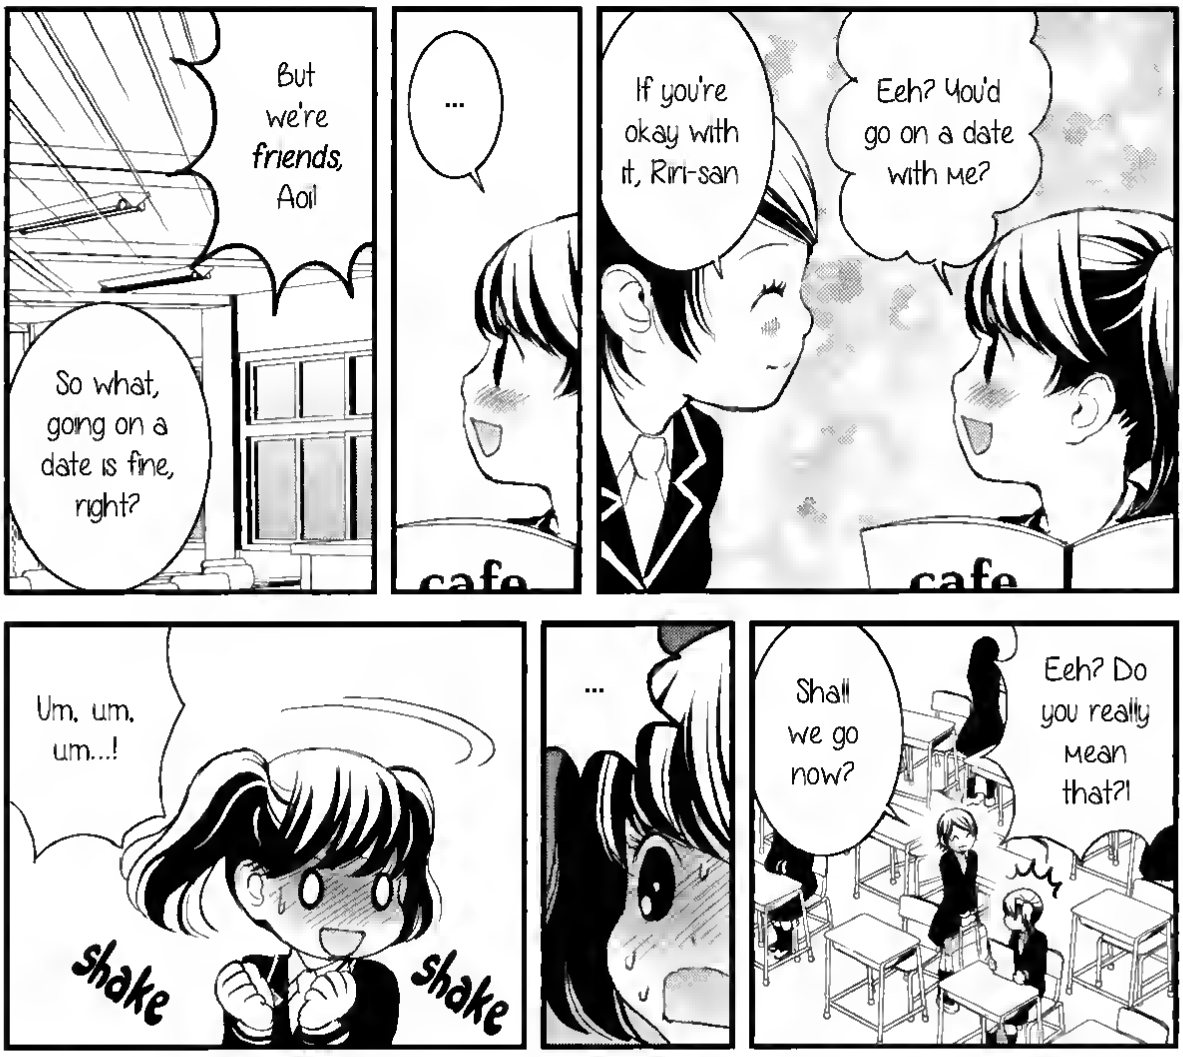
Akiko Morishima presents

Let's go on a date!



Hold up a second
First you two need to go over your definitions of a date.
Let's drink tea together ♡
And right this moment, even...!
Aoi and I...
Sure, some people take their friendships this far, but...
blush

Tea for two

We should at least have gone to a cute café
A date between the school's pillars
slurp
Waaa!
Here you go, Riri-san
Apple tea with plenty of sugar!
But school rules say we can't hang out at places after school
School rules ?
No one keeps to those
But now it's just the same as always!
Delicious ♡
Sweet, isn't it?
I absolutely love the chats we normally have, Riri-san
Yep

It's a date

It's fine, it's fine!
At school?
We are on a date
I thought you two were gonna go on a date!
Oh?
Nothing
What do you mean by that?!
giggle
Not just Aoi, right?
giggle
Aoi is still a kid after all!
I- I see
JUST GONNA GET SOME TEA!!
W-W-WE'RE IN THE MIDDLE OF CLUB STUFF!
Are you two on a date as well?
Just kidding

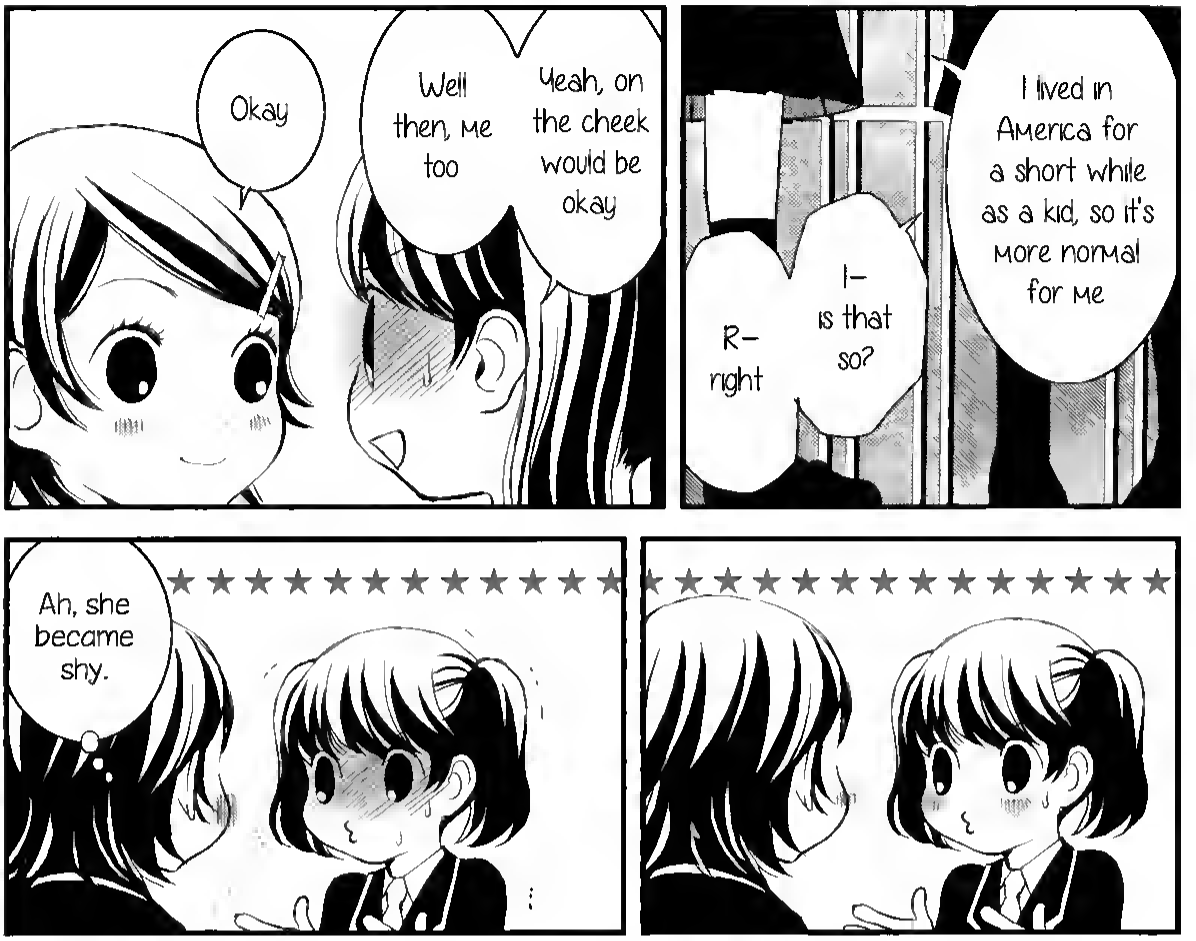
Girls talk

Huuh?!
I bet they're doing it
I bet they're a couple
Say, Aoi
Aren't Toudou and Midori-san acting suspicious?
Huh?
Like she was worried about her relationship with Toudou and said the opposite
That's exactly why it's suspicious
But Midori-san said
Kyaa
Kyaa
So when she said she already had someone she liked, she meant !
Right, they're always together, aren't they?
Hah!!
On that topic, I'm thinking Reika-sama and Yuki-sama are do-, eh, going out as well

Good night kiss

Eh. You don't think so?
Though, it wasn't anything like a date
Me, too
I don't want it to end!
Aah, that was fun!
A kiss, you say?
'Cause, if it were a date, we'd give each other a kiss here
?!
Shock
We're friends, so on the cheek
SMOOCH

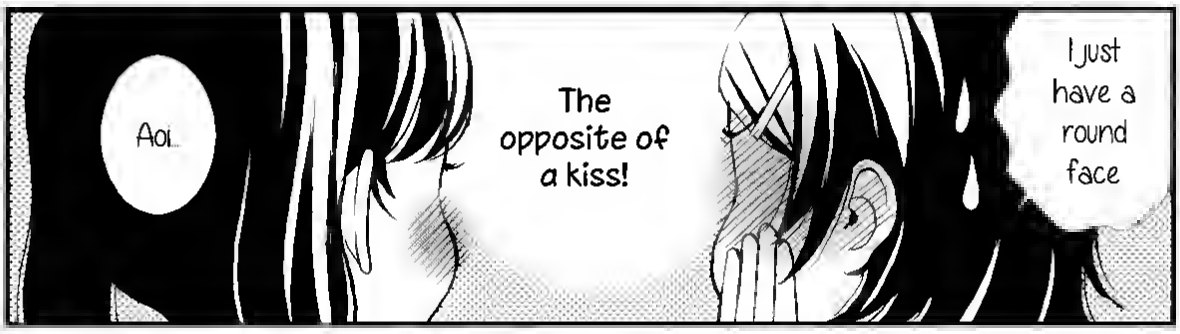
Embarrassing



Okay
Well then, me too
Yeah, on the cheek would be okay
I lived in America for a short while as a kid, so it's more normal for me
I– is that so?
R– right
Ah, she became shy.

poke poke
poke poke
poke poke
What are you doing?!
U-your cheeks just looked so pokable!!

Poke
!



Aoi...
The opposite of a kiss!
I just have a round face

U-yes ♡
Let's have another date some time!

End
